

Belfast Coronavirus bus map

Original design by Whitenoise Studios for Translink Metro • Redesigned by Sam Millar for 30 March 2020

This map shows Translink Metro routes still operating in Belfast following service reductions on 30 March 2020.

Roads no longer served include Finaghy Road South and Tate's Avenue.

As of 19 April, the routes shown are timetabled until 30 June but this is subject to change. Translink is advertising their services for essential journeys only and recommending passengers re-check times on the day of travel.
